

Respiratory Spray

A water-soluble blend of the natural essential oils, eucalyptus, peppermint, camphor and tea tree with a biodegradable sorbitan emulsifier for the symptomatic relief for animals with breathing problems. Emvelo Breathe⁺ helps to liquefy thick sticky mucous and open up breathing passages.

***Store in a cool dark place out of direct sunlight.
Do not refrigerate.***

Instructions and Dosage

Dosage: 20:1000

Dilute 20ml of product for every litre of water and apply using clean hand held or portable spray in stable, animal housing or barns morning and evening for about three days or as required. Product can be applied neat by applying a few drops to halters and leads or rugs, animal bedding etc.
